

Meant to Be Lyrics

by Jubal Myer

Chorus

Open my eyes, open my heart to all the things
you want to impart.
Everything you want me to do and all the
grace I need to get through.
Lord, help me be all I am meant to be.

Each of us has things we're given we're supposed to do,
And the power to do these things has all come from you.
But then we get in the way because we tend to sin.
When we lose sight of your will, Father, rein us in.
(Chorus)

Each of us must face some challenge; that's the way we grow.
Keep in mind his love for us, what he wants us to know.
That he's always there for us, in all we do and say.
Follow him to where he leads us, he has shown the way.
(Chorus)

We're all meant to be together; none should go alone.
Side by side we'll do his bidding, until he calls us home.
While we're here, let's make a difference, giving what we're giv'n.
Knowing God's provided for us, and we are forgiv'n.
(Chorus)

(Chorus)

Tag
Father your love rises above giving us all more than enough.
In all we do and we go through may we give the glory to you.
Lord, help us be all we are meant to be.
